Billing Frequency	Month(s)

5. On the Registration Page, click "Register Now":

The screenshot shows a registration page for the BlueDog Qualifier app. On the left, there is a smartphone icon with the text "OUR NEW APP!" and a circuit-like dog head logo. To its right, the text reads "BLUEDOG QUALIFIER FOR RESI-AV APP" and "WELCOME!". Below this, a message says "Thank you for using our New Qualifier App! You're almost there!". A "LAST STEP:" section contains two instructions: "1. Use same email on both forms" and "2. Please include company name". Below the instructions, it says "That's it, you're ready to register! Let us know how you like the App!". On the right side, there is a registration form with fields for "Company" (containing "YOUR COMPANY"), "Email" (containing "YOUR EMAIL"), "Password" (with dots), and "Re-enter Password" (with dots). There are "Register" and "Cancel" buttons below the form. A large blue button at the bottom center says "REGISTER NOW".

6. Enter the email and company name used for creating the subscription, add password and click "Register" to create new user in the app:

The screenshot shows the same registration form as in step 5, but with specific data entered. At the top, there is a logo of a dog head with circuit lines and the text "POWERED BY BLUEDOG DATABASE". The form fields are filled with: "Company" (BlueDog Group), "Email" (curt.hayes@bluedog.group), "Password" (dots), and "Re-enter Password" (dots). The "Register" and "Cancel" buttons are visible at the bottom.

7. Enter Username and Password on login page and click "Login":
